

In response to the Examiner's request, Applicants respectfully submit a substitute paper copy of the sequence listing and a substitute copy of the sequence listing in computer readable form which complies with 37 C.F.R. 1.821 - 1.825 as requested. The computer readable copy submitted was saved using a "File Manager" program so as to avoid the problems associated with the PatentIn Ver. 2.0 program. The paper copy of the sequence listing is the same as that found in the computer readable copy. The content of the paper and computer readable copy is supported by the application and includes no new matter.

Applicants respectfully request reconsideration of the merits of this Patent Application. This Response is believed to be timely filed. However, should any extension of time be required in this or any subsequent response, please consider this as a request for an extension and a request to charge any fee due to deposit account number 17-0055.

Respectfully submitted,
